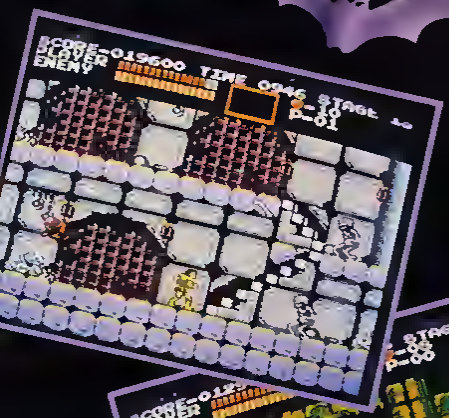
VS. CASTLEVANIA™*



ENTER ITS DARKNESS IF YOU DARE.

Welcome to the shadows and hidden horrors of VS. Castlevania—the newest addition to Nintendo's VS. System™** Its dark domain is home to some of the creepiest creatures you'll ever find among the living… or the dead.

You'd better check your courage, because you're paying more than just a courtesy call. You're out to destroy forever the forces of evil that dwell here. And that means doing battle with the Master of the House, the Evil Count himself!

But, first, you'll have to find him And that won't be easy. You've got to get through 18 terrifying stages including six castle floors before you reach the tower where he waits, thirsty for your blood

Your Magic Whip and stolen weapons will help you dodge and destroy the ghosts, ghouls and monsters that stand in your way. But when you reach the tower, get ready to go for the jugular before the Count goes for yours!

VS. Castlevania—a deadly game of adventure and mystery that will add new life to your VS. System.
